Jedi Camp—Long, long ago in a galaxy far, far away the Jedi Knights protected the innocent from evil doers. Now is your child's time to join the Jedi ranks and become heroes! All participants will learn how to train their mind and body to become the greatest heroes of all time. Jedi trainees will learn how to wield a lightsaber to fight off the evil Sith warriors and save the universe! At this camp, your child will learn how to use the lightsabers in theatrical fighting, participate in strength and agility training using various exercises and games, learn Jedi lore and history and learn how to put together a massive battle.

Fencing Camp—This camp is designed for participants of all skill levels. Beginner fencers will understand the fundamentals of fencing after one week of practice. Campers will learn the history of fencing, footwork and blade work (parries and ripostes). Coaches will provide level-appropriate instruction for all progressive fencers. The program will also provide a focused and fun camp for intermediate and progressive saber fencers, offered by truly outstanding coaches. More advanced fencers will refine fundamentals, learn new techniques and develop more effective competitive strategies.
